SUPPLEMENT TO
REPORT NO.

1. The "Vereniging Nederland-Indonesie" (the "Netherlands-Indonesian Association") follows the line of the Netherlands Communist Party on the Netherlands East Indian problem, and its official statement calling for complete freedom and independence for the Indonesian Republic has been given much publicity in the Communist press of the Netherlands.
2. In a restricted meeting of the Association's Executive Committee, the Chairman, Professor W. F. WERTHEIM, distributed a declaration which he had signed, reading as follows:

"It appears that the Netherlands-Indies Government is more than ever placing its full confidence in its military and economic ascendancy over the Republic. There are serious indications that renewed military action on the part of the Dutch is a real possibility and may shortly take place."

This document is hereby regraded to **CONFIDENTIAL** in accordance with the letter of 10 October 1973 from the Director of Central Intelligence to the Archivist of the United States.
